Guidelines

Rules & Regulations:

Singing competition rules and regulations may vary depending on the specific competition or event you are referring to. However, I can provide you with a general outline of common rules and regulations that are typically followed in singing competitions. Please note that these are general guidelines, and it's always important to consult the specific rules provided by the competition organizers for accurate and detailed information.

Category of Performance: SOLO

- **No song with any obscene content will be allowed.**
- **No song with any political content will be allowed.**
- **All Language songs are allowed.**
- **No self-composition song is allowed.**
- **For Screening no Karaoke track or instruments are allowed; only clean vocals.**
- **Participants Should bring their own instruments/karaoke tracks for the final round, if they are selected.**

All the participants are requested to abide by these rules otherwise it may result in disqualification from the SINGING COMPETITION. For further clarification please contact to the event organizers.

We appreciate your involvement and eagerly anticipate your participation
